

**NOTIFICATION OF INTENT TO CLOSE CCR UNIT
ASH POND COMPLEX
CONESVILLE PLANT
CONESVILLE, OHIO**

CCR Unit Name: Former Conesville Power Generation Plant - Ash Pond Complex
Location: Near the Village of Conesville, Coshocton County, Ohio
Owner/Operator: Conesville Industrial Park, LLC
Rule: Title 40 Code of Federal Regulations (40 CFR), Part 257 (§257)
Document Date: February 23, 2021

Conesville Industrial Park, LLC (CIP) is providing this Notification of Intent to initiate closure of the Coal Combustion Residual (CCR) unit known as the Ash Pond Complex located at the former Conesville Power Generation Plan. The existing surface impoundment known as the Ash Pond Complex contains six ponds as listed below:

- Fly Ash Ponds (Ash Pond 1, Ash Pond 2, Ash Pond 3 and Ash Pond 4);
- Bottom Ash Pond 5; and,
- Clearwater Pond.

This Notification of Intent has been prepared in accordance with 40 CFR §257.102(g). CIP is initiating closure of the CCR unit by removal of CCR in accordance with 40 CFR §257.102(c), therefore certification of the final cover system design is not required. This notice is being placed in the operating record as required in 40 CFR §257.105(i)(7).
